

Name: _____

Navigating the [International Admissions Wiki page](#) and its Additional Information wiki pages, answer the following questions.

1. What type of prospective student applies as an international student?

2. There are additional application requirements for International applicants.

- Where can you find information on the additional requirements?
- English Proficiency Test scores must be sent by whom and within what time frame?
- What type of major(s) may International students not have?
- What documents does a student submit for financial review?

3. A prospective international transfer student asks if they must take the ESL Placement test. The student explains that they attended Bowling Green State University and took English 1110.

- Does this student need to take the ESL Placement test?

4. A prospective international student indicates they misunderstood the question and incorrectly answered yes to Question 9 on the Common Application regarding being found guilty of a felony.

- How do you direct a student who incorrectly answered this question?
- To what do these questions pertain?
- Who reviews the applications for students who answer yes to these questions?

5. A prospective student from China asks if Ohio State accepts transcripts which have not been verified by the CHESICC.

- CHESICC is an acronym for what?
- Will Ohio State accept transcripts which have not been verified by the CHESICC?
- Will we accept verified transcripts that students submit to Ohio State?

6. A prospective International student for autumn asks by when they should pay the acceptance fee and how to go about submitting payment.

- When is the deadline for this student to pay their acceptance fee?
- What forms of payment are acceptable?
- Where can the student mail in their acceptance fee payment?
